

CHRIST KING HR. SEC. SCHOOL, KOHIMA
Class 8
Moral Science
Term-2020

Chapter: 4

□ **Questions and Answers:**

1. Why are the students frustrated these days?

Ans: The students are frustrated due to lack of proper vision, understanding, encouragement and training.

2. Why should the students understand the value of education?

Ans: The students should understand the value of education because these are millions of young people who cannot attend school for a variety of reasons, so we should realize that it would be a serious fault on our part, if we are not making the maximum effort in our studies.

3. Why should we share everything with our teachers and parents?

Ans: We should share everything with our teachers and parents because with them our problem and difficulties can be solved.

4. Why should a child know about the hard work of his parents for getting him educated? Ans:

A child should know about the hard work of his parents for getting him educated because our parents are the only earning ones in our family. A child should be grateful to them for their hard work to educate us.

5. What are the effects of education? Add your reflection?

1. Bringing out the best in man, woman and child- body, mind and spirit.
2. Educated in the proper sense bring new solution to an old problem.

Chapter: 5
